EDUCATION

- **BAC: 16.44 [83%] 2021**
I was graduated from high school top of my class as well as top of my school of an overall grade of 16.44 and 17.13 as my weighed grade, and 18 as my English grade, and eventually I have repeated my BAC in 2022 and got 15.48 with Maths as my specialty.
- **ArtBox Formations 2019-2021**
Training course: taught art and mural painting
I worked as an essential member of the ArtBox association specifically in the painting department, I had the honor to paint Professor Belgacem Haba and Bob Marley and many more public figures
- **Teaching 2020-PRESENT**
English Teacher
I worked as an English Language Teacher for many non-profitable groups, such as The English Speakers Club at Bou Saada, and I am the current admin of the group.
I organized many events such as discussion groups for the public, and public games in English.

WORK EXPERIENCE

- **Desktop Application Developer Jan 2019-Jul 2019**
The Local Library Data-Base
I completely designed and coded and tested and launched my local library's database software from scratch using C# as my main coding language and Sequel as my database editing language.
- **University Library Nov 2021-Mars 2022**
Library Employee
I worked as a part-time organizer at the university library, and an active member of the reading gathering.
- **ENGLISH TEACHER Jan 2019-Sept 2020 Aug 2021-PRESENT**
American & British Accent Teacher
I worked as an accent teacher at private schools and at the local library as a non-profitable teacher, [English Speakers Club]. I taught many people to speak fluently and overcome the English language pronunciation difficulties.
